Drought Update

U.S. Bureau of Reclamation and State Officials join East Side water leaders in a brief informational discussion of the Zero Allocation for users along the Friant-Kern and Madera canals.

Learn what is being done and what more may need to happen if the Friant-Kern and Madera canals are going to have any CVP water to deliver this summer.

6:30-8:00 p.m.

Rally for Water!

We're facing historic drought plus unprecedented social and economic harm.

Your chance to be heard on what will happen if East Side Farmers have no water!

A Zero Allocation is Unacceptable – We need action now!
