

MEMORANDUM

To: All CCID Landowners & Water Users

From: Chris White, General Manager

Date: February 7, 2014

Enclosed are forms for supplemental water requests for this year. These forms are being provided so that the District can determine the amount of water desired by growers at the price listed. The District will try to obtain this water, but there is no guarantee that all amounts can be secured. If there are more requests than a.f. available, the District will provide supplemental water on a pro-rata share.

Please return your request forms to the District no later than February 20, 2014. You may send them to the Main Office at P.O. Box 1231, Los Banos, CA 93635, or by fax: (209) 826-3184. If you have the ability to scan and email send your request to: [mmartin@ccidwater.org](mailto:mmartin@ccidwater.org).
