**From: Chris White, General Manager**

A handwritten signature in black ink, appearing to be "CW", enclosed in a hand-drawn circle.

**Subject: Public Meeting – Wednesday, February 5, 2014 – Los Banos Fairgrounds**

**Date: January 28, 2014**

All CCID landowners and water users are urged to attend a very important public meeting to be held on Wednesday morning, February 5, 2014, at the O'Banion Building at the Los Banos Fairgrounds. The meeting will start at 10:00 a.m.

We will be presenting the latest information on this year's very dire water situation, and how it is affecting the ability of the Bureau of Reclamation to deliver water to its customers throughout the Central Valley, including CCID and the Exchange Contractors.

In response, the CCID Board of Directors has adopted new Critical Year water rates and allocations for 2014. The rates and allocations will be presented and explained, as well as rules that may affect you in your farming operation this year.

If you have any questions, please call the CCID office at (209) 826-1421.
