Date: March 20, 2020

The health and wellbeing of our customers and employees is the top priority for Central California Irrigation District. In response to the COVID-19 (Coronavirus) outbreak, CCID will be closing its offices to the public beginning March 20, 2020 until further notice. This is a protective measure to limit public gathering and to help prevent the spread of Coronavirus. We understand the concern and uncertainty surrounding the Coronavirus and want to assure you that the District does not anticipate any interruptions in agriculture water deliveries.

Beginning today CCID's offices will remain staffed but the office will remain locked. **CCID customers will be able to pay their monthly bill by mailing payment to: PO Box 1231, Los Banos, CA 93635**

Water Orders will remain unchanged and can be placed by contacting the appropriate Canal Worker via telephone.

For questions regarding the Westside Watershed Coalition (Irrigated Lands) – please contact Mary Meza at 209-826-1421 or by email at [mmeza@ccidwater.org](mailto:mmeza@ccidwater.org) or by contacting Crystal Guintini at 209-826-1421 or by email at [cguintini@ccidwater.org](mailto:cguintini@ccidwater.org)

CCID staff appreciates your cooperation through these unprecedented times. We are striving to do our part to "flatten the curve" while maintaining District Operations. If you have any questions do not hesitate to contact me.
