WATER SUPPLY UPDATE

On May 27, 2020 we received an updated forecast from DWR indicating that inflows to Shasta are just above the threshold for a non-critical year. An official update from the Bureau of Reclamation is expected next week. Given this information the District wanted to provide a timely update that effective immediately the updated tiered water pricing below, **our Non-Critical schedule**, will be in effect.

IN-DISTRICT WATER SALES

A 3-tiered schedule will apply to all water used from January 1 through October 31. **Any Tier 1 water used in May will be charged at \$17/acre-foot.** Starting June 1, the Tier 1 cost will be reduced back down to \$13/acre-foot.

Tier 1 – 0 - 3.2 acre-feet/gross acre - \$13.00 /acre-foot

Tier 2 – 3.21 – 3.70 acre-feet/gross acre (CCID Well Water) - \$40.00 /acre-foot

Tier 3 – Greater than 3.70 acre-feet/gross acre (Purchased Water) - \$95.00 / acre-foot

Water in November and December will be provided on a first-come, first-served basis at \$13/AF

DEVELOPED WATER –CLASS II LANDS –IMPORTANT NOTICE

The District will begin providing water to Class II lands on an if and when available basis. Developed water for Class II lands will also be subject to tiered pricing from January 1 through October 31. The first 3.2 acre-feet per net acre will be charged \$40.00 per acre-foot. All usage in excess of 3.2 acre-feet per net acre during this period will be billed at \$95.00 per acre-foot.

Developed water taken in November and December, if available, will cost \$40.00 per acre-foot.

If you have any questions please reach out to the office at (209) 826-1421. We are committed to providing timely updates should things change.

Cordially,

Jarrett Martin
General Manager
